The Incredible CASHWORKS QUEUE!

We provide you with a professionally written, personalized sales letter and a Company Coordinated Mailing List. We have pre-tested our MASTER BUYERS LIST for effectiveness and then distribute it to our members; so that there will be NO DUPLICATE MAILINGS! We'll provide you with a Camera-Ready Flyer, a Personalized Cover Letter, and a Company Coordinated Mailing List to get you started earning fast! Our unique bonus system -- called the **CashWorks QUEUE** -- **ELIMINATES SPONSORING!** *If you DO choose to SPONSOR you can earn MORE...FASTER!* The CASHWORKS QUEUE is a unique, straight-line, cycle rotation matrix.

We use the Queue to divide up the credit that we contribute (give away) to members for the orders that we get from our company mailings. Members are entered into the QUEUE once when they join and TWICE each time they cycle! The Company mails about 1000 letters each week. Sponsor credit for orders that come from Company mailings are given to the first person in the QUEUE... until that person cycles through and gets PAID! Then that member is re-entered -twice-back at the beginning of the QUEUE! Now the next member in QUEUE is up to bat and gets PAID!

THE SIX PACK - With a 6-Pack your FIRST Entry is Cycled Through by the remaining 5 Yielding you your first of many \$50 Cycle Payments!

HERES HOW IT WORKS

When you join, the next five (5) people who join complete your down-line. You will receive a \$50 money order and be re-entered into the **CASHWORKS QUEUE** two more times. You will continue to cycle through the QUEUE up to a maximum of twenty (20) cycles, which is a total of \$1000.00 for each entry.
