Welcome to Dac-Leads Diversified Advertising Co-op Leads! You may use these leads for any business. Can you mail flyers? If so, you can easily make money by mailing flyers just like this one. We have a very fast, simple, low cost, duplicable and extremely effective marketing system for people who would like to make money but do not like to personally sell. **The fastest way** for us to help you **EXPLODE** your income and build a large downline, is to **give away FREE Memberships** to highly motivated work at home prospects, like you. **UPGRADE ASAP So You Won't Lose ANY Potential Commissions!** We are sponsoring 1000's of new members with our system! Don't have Internet access, we'll send 1 email ad to your 120 email leads with your Dac-Leads.com website address.

We designed our compensation plan so that your Dac-leads business is paying for itself with only 3 people on your first level, and you get **\$30 FAST START BONUS!** Why? Because we know that if the average network marketer is not making a profit or breaking even within 90 days they'll quit, our compensation plan and marketing system solves that problem! **IE: 3 people on level 1 x \$20 commission = \$60.** Now that your Dac-leads business is paying for itself with only 3 people on your first level, you can stay in the business long enough so that the duplication process can take place and the other Dac-leads members above & below you can help you complete your 3x9 matrix.

The easiest way to make money in network marketing is to join a good company with a simple, low cost, duplicable and extremely effective product & marketing system for people who would like to make money but do not like to personally sell. The company must have a quality product or service that everyone in your industry needs to grow their business, that's affordable, simple to market, and appeals to the masses. Look no further Dac-leads has all of the above! We have the best quality online & offline generated leads in the industry bar none! Our leads are generated with diversification and quality in mind.
