Let's Get Straight To The Point! Here's How Your Life Can Change!

All you have to do now is find at least 4 new members or send out 1,200 flyers and get 1/4 % response. Each of them will send you \$60.00 - and you already have earned money! Your participation starts at position # 7 on the "**Fast Cash Generating**". Every new member starts at this position, so you'll move upwards, one position each time, until you reach the # 1 position. Assuming that everyone will also introduce 7 new members, you will get \$30 each from 2,401 people when you reach position # 3 on the "**Fast Cash Generating**". This already totals \$504,210, but MBI is designed to rake in much more money right into your pocket. By continuously moving up the list you will reach position # 1 within only a few months. Once you are at position # 1 you will be the promoted person on thousands and thousands of "**Fast Cash Generating**" mailings, and you can receive up to **823,543 letters containing \$40 each = \$32,941,172.**

You can keep this money. It's yours, and there's nothing expected in return. (By the way: Even if everyone only introduced 5 new members you would still receive up to \$3,125,000). Even with only 3 members, it would total up to \$95,760. So it should be very easy to convince other people of this chance. Make sure to introduce as many new members as possible into this **fantastic program**. Millionaire Billionaire International is right now beginning its global expansion and will experience a tremendous growth well into the next decade. Millions of potential participants are available. So, start right away, to see your unlimited share of **daily cash pouring into your mail box. It's Time to take action! Do it now!**
